**Advanced Data Networks and SLPowers announce merger.**

WEST PALM BEACH (May 03, 2004) – As everyone at Advanced Data Networks continues to pursue the vision of providing exceptional services with a positive attitude and loyalty to customers, it is with great pleasure that we announce the merger of Advanced Data Networks with SLPowers. This merger represents a substantial step on the part of both companies towards fulfilling our shared vision of becoming South Florida's pre-eminent network systems integrator.

Since 1985, SLPowers has been a local leader in the Information Technology business, providing quality services and solutions to the South Florida market. Our companies have demonstrated that with knowledge, vision, and industry certified systems engineers, we can successfully implement these solutions and exceed our customer's expectations.

Advanced Data Networks' clients will notice few differences in doing business with us. Advanced Data Networks' clients will see a transition to the SLPowers accounting, invoicing, and trouble-ticketing systems. Effective May 3rd, 2004, all correspondence should be sent to our main office at: 1254 Okeechobee Rd., West Palm Beach, Florida 33401.

From the first day, the merger will have a positive impact on our clients. Upon merging our technical services departments, all customers will benefit from the additional depth and breadth of knowledge and experience pool and the increased availability of technical services personnel. Tina Mike, President of Advanced Data Networks will be joining the SLPowers staff as a Senior Account Manager. "This will allow me to focus on what I love to do", said Mike, "take care of my customers".

The combined staff of Advanced Data Networks and SLPowers promise to continue to raising the bar on network integration services through our vendor certifications and our unique service products which include: Microsoft Gold Partner for Enterprise Systems, Novell Gold Partner, Citrix (Silver) Authorized Reseller, WatchGuard Platinum Reseller & Certified Training Center, SonicWall Silver Medallion Reseller, Hewlett Packard (Compaq), Cisco, IBM, Acer and our flagship service product, Guaranteed Networks™. We are truly excited about the strategic potential of this merger and for the advantages that it will bring to our new family of clients.
